New Orleans's *Modern* Renaissance

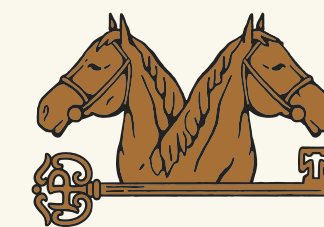

Experience the charm of the French Quarter with a fresh, modern twist. The newly renovated Hotel de la Poste blends historic elegance with bold, bayou-inspired design. Rich navy tones, French-style moldings, and touches of Sazerac orange set the stage in our 97 reimagined guest rooms — some with courtyard views, carriage houses, or private balconies.

Savor craft cocktails and local flavors at 3rd Block Depot Kitchen & Bar, host a bespoke event in our indoor and outdoor venues, or soak up the sun in our hidden courtyard oasis and enjoy the Pool Deck. Stay active in the 24/7 fitness center, then step outside to explore Jackson Square, Bourbon Street, and the best of downtown New Orleans — all just moments away.
